MODERE CELLPROOF LIP COMPLEX

Personal Care | Skin

PRODUCT DESCRIPTION:

Beauty begins on the inside, but sometimes you want a boost to help your inner beauty shine. Modere® CellProof Lip Complex will soothe and condition dry lips while simultaneously making them visibly plumper, firmer and smoother. That's because our ingenious multi-tasking lip treatment is packed with lip-moisturising ingredients, including patented BioCell Collagen® CG, an advanced tripeptide blend and luxurious shea butter. The result is full, alluring lips that are kissably soft.

PRODUCT BENEFITS:

- Naturally enhances the look of fullness
- Diminishes the appearance of fine lines and creases
- Provides intense hydration for enviably soft, supple-looking lips
- Visibly improves firmness and smoothness
- Rejuvenates and nourishes via hydration

POSITIONING STATEMENT:

Modere® CellProof Lip Complex is a luxurious serum designed to renew the appearance of your lips while adding the look of volume. It features award-winning BioCell Collagen® CG, a natural matrix of collagen peptides and hyaluronic acid that is Bio-Optimized™ for maximum effectiveness. Backed by Collagen/HA Matrix® Technology, this signature cosmetic-grade ingredient supports hydration and reduces the appearance of fine lines and creases, leaving your lips looking firm and supple.

Our multi-tasking lip treatment is also packed with lip-moisturising ingredients, including an advanced tripeptide blend to visibly enhance plumpness, shea butter and apple extract to provide intense hydration, and vitamins A and E to soothe and gently condition lips. After just one use, you'll notice your lips look fuller, smoother and softer. Because you deserve to look as vibrant as you feel.

Modere CellProof Lip Complex is a key component of the CellProof system and is designed to work synergistically with other CellProof products to noticeably enhance the appearance of your lips and skin. For optimal results, pair CellProof with award-winning Liquid BioCell, the supernutraceutical scientifically shown to moisturise skin from the inside. This exclusive 360° approach delivers patented Collagen/HA Matrix® Technology in both a topical (CellProof Serum, Moisturizer and Lip Complex) and an ingestible form (Liquid BioCell), for visibly radiant skin.

DIRECTIONS:

Smooth over cleansed lips morning and evening. Once absorbed, follow with lip colour if desired.

CAUTION: Topical use only. Apply only within perimeter of lips. If applied on skin, a temporary redness may occur. If any discomfort is present, remove and discontinue use.
