MODERE CELLPROOF BODY FIRMING FOAM

Personal Care | Skin

PRODUCT DESCRIPTION:

Beauty begins on the inside. But sometimes a little support from the outside can help your inner beauty shine. Modere CellProof Body Firming Foam visibly smooths and tightens the appearance of cellulite and dimpled skin on areas like the arms, thighs and abdomen. It combines a host of naturally sourced ingredients including BioCell Collagen® CG to smooth, tone, nurture and revive your skin's appearance. It's all about boosting your confidence, to look as vibrant as you feel.

PRODUCT BENEFITS:

- Smooths targeted areas of your body, decreasing the visibility of cellulite and dimples
- Refines skin texture for a more toned appearance
- Improves skin elasticity and resiliency
- Reduces the appearance of irregularities and cellulite by moisturization.

POSITIONING STATEMENT:

Skincare isn't just for your face; your body deserves a treat too. CellProof Body Firming Foam is formulated with patented BioCell Collagen® CG, a natural matrix of collagen peptides and hyaluronic acid that is Bio-Optimized™ for maximum effectiveness, and rare botanicals such as Peruvian maca and sacred lotus extract, plus pomegranate and meadowfoam in a unique, silky and lightweight foam.

Massage into arms, legs and abdomen – wherever you need a boost - to visibly smooth skins texture, protect its moisture barrier and help maintain its elasticity to promote a firm, toned appearance from the neck down. Because you deserve to look as vibrant as you feel.

For optimal results, pair CellProof with award-winning Liquid BioCell®, Trim or Liquid BioCell® Skin, the supernutraceutical scientifically shown to nourish skin from the inside. This exclusive 360° approach delivers patented Collagen/HA Matrix® Technology in both a topical (CellProof) and an ingestible form (Liquid BioCell), for visibly radiant skin.

DIRECTIONS:

Apply 2-5 pumps per area twice daily, and massage thoroughly. Best applied to clean dry skin. Absorbs quickly; no rinsing necessary.

CAUTION: For topical use only. Avoid direct contact with eyes. Discontinue use if irritation occurs.

ADDITIONAL TIPS

After bathing, apply CellProof Body Firming Foam to areas of concern such as thighs, buttocks, flanks, abdomen, upper arms, neck—wherever you need a boost. Use a circular motion to massage the foam into the skin working from the extremities in toward the heart.

- Prep skin with Modere Exfoliant to gently sweep away dead skin cells and to assist with better product absorption of Body Firming Foam. Additional manual methods of exfoliation can include dry brushing.
- If desired, apply an additional body moisturizer such as Modere Body Butter or Modere Hand & Body Lotion over your CellProof Body Firming Foam.
- For optimal results, pair CellProof with Liquid BioCell® Skin. This exclusive 360° approach delivers patented Collagen/HA Matrix® Technology in both a topical (CellProof) and an ingestible application (Liquid BioCell) for visibly radiant skin.
