MODERE CELLPROOF INFUSION MASK

Personal Care | Skin

PRODUCT DESCRIPTION:

Beauty begins on the inside, but sometimes you want a boost to help your inner beauty shine. Modere CellProof Infusion Mask will gently wake up your skin with effervescent oxygen via Ox3™ technology, priming it to receive powerful botanical extracts, including award-winning snow algae and summer snowflake. Each application clarifies and revitalizes your skin, supporting hydration and diminishing the look of wrinkles to renew your natural radiance.

BENEFITS:

- Awakens and prepares skin to receive revitalizing ingredients
- Renews youthful-looking skin
- Diminishes the appearance of fine lines and wrinkles
- Supports natural skin moisture barrier and hydration
- Award-winning snow algae and summer snowflake backed by Ox3™ technology Invigorating effervescent mask

POSITIONING STATEMENT:

Modere® CellProof Infusion Mask is a perfecting gel featuring Ox3™ technology that instantly releases oxygen bubbles across the surface of your skin, waking it and preparing it to be nourished by potent botanical ingredients. At the same time, the rejuvenating oxygen bubbles clarify and renew your skin, so you look radiant and refreshed.

First the oxygenation process clarifies and primes your skin, then our powerful botanical ingredients nurture it. Award-winning snow algae has been shown to encourage skin renewal, aid moisture retention and support your skin's natural defenses against oxidative stress. Summer snowflake will help diminish the look of age spots and improve the texture of your skin for a smoother, more youthful appearance. Plus, an exclusive combination of 13 herbal and fruit extracts bolster your skin, so it looks healthy and luminous. Because you deserve to look as vibrant as you feel.

Modere CellProof Infusion Mask is a key component of the CellProof system and is designed to work synergistically with CellProof Serum and Moisturizer to noticeably enhance the appearance of your skin. For optimal results, pair CellProof with award-winning Liquid BioCell, the supernutraceutical scientifically shown to nourish skin from the inside. This exclusive 360° approach delivers patented Collagen/HA Matrix® Technology in both a topical (CellProof Serum and Moisturizer) and an ingestible form (Liquid BioCell), for visibly radiant skin.

DIRECTIONS:

Apply 6 pumps of Modere CellProof Infusion mask to clean, dry face using quick circular motions with fingertips. Do not rub into the skin. Leave on for at least 5 minutes. Rinse with warm water, then pat dry. Follow with CellProof Serum and Moisturizer. Use Infusion 2-3 times per week.

DO NOT UNSCREW CAP.

CAUTION: For topical use only. Avoid direct contact with eyes. Discontinue use if irritation occurs.

KEY INGREDIENTS:

- Snow algae extract
- Summer snowflake bulb extract
- Ox3™ Proprietary Blend

Please always read the full product label prior to use.

MÖDERE. FACT SHEET

MODERE CELLPROOF INFUSION MASK

Personal Care | Skin

KEY INGREDIENTS:

Ox3™ proprietary blend – patented oxygen delivery system that awakens skin on contact with thousands of bubbles, prepping skin to receive further benefits

Snow algae (*Coenochloris signiensis*) – award-winning botanical extract that protects moisture and supports natural skin moisture barrier

Summer snowflake bulb (*Leucojum aestivum*) – provides antioxidants. It evens skin tone and visibly smooths the appearance of fine lines and wrinkles

ADDITIONAL TIPS:

- Apply Modere CellProof Infusion Mask to clean, dry skin 2-3 times per week for best results.
- To receive the full oxygenating action of Infusion Mask, allow bubbles to fully dissipate (5-10 min) prior to removal.
- Treat yourself to a spa-like experience. First, gently remove makeup with Modere Eye Makeup Remover and thoroughly cleanse with an appropriate Modere Cleanser, followed by Modere Exfoliant to sweep away dead skin cells. Pat dry, then gently apply a thin layer of Infusion Mask. Once Infusion bubbles have dissipated, remove and follow with a Modere Toner before applying Modere CellProof Serum and Modere CellProof Moisturizer. As an added treat, incorporate Modere Dual Action Eye Gel prior to Serum to minimize the appearance of puffiness in the delicate eye area.
- For optimal results, pair your Modere CellProof skin regimen, including Serum and Moisturizer, with Liquid BioCell®. This exclusive 360° approach delivers patented Collagen/HA Matrix® Technology in both a topical (CellProof) and an ingestible application (Liquid BioCell), for visibly radiant skin.

INGREDIENT LIST:

Aqua, perfluorohexane*, pentylene glycol, propanediol, acrylates copolymer, maltodextrin, perfluorodecalin*, pentafluoropropane*, ethoxydiglycol, hydroxyethyl urea, polysorbate 20, panthenol, citrus aurantium dulcis (orange) fruit extract*, citrus aurantium dulcis (orange) peel extract*, lavandula angustifolia (lavender) flower/leaf/stem extract*, leucojum aestivum bulb extract, coenochloris signiensis extract, lecithin, elettaria cardamomum seed extract*, eugenia caryophyllus (clove) flower extract*, gardenia taitensis flower extract*, hedychium spicatum extract*, hibiscus abelmoschus seed extract*, jasminum ocinale (jasmine) flower/leaf extract*, plumeria rubra flower extract*, prunus armeniaca (apricot) fruit extract*, pyrus malus (apple) fruit extract*, vanilla planifolia fruit extract*, aminomethyl propanol, sodium lauroyl methyl isethionate, caprylyl glycol, decyl glucoside, xanthan gum, ethylhexylglycerin, hexylene glycol, caprylic/capric triglyceride*, cocamidopropyl betaine, sodium methyl oleoyl taurate, sodium cocoyl isethionate, phenoxyethanol, chlorphenesin, potassium sorbate.

*Ox3™
proprietary blend.
