

# BODY BUTTER

Body Cream for all skin types

## DESCRIPTION

If your dry elbows are considered as a weapon, you need Modere's Body Butter. This ultra-thick and luxurious cream has a so-good-I-want-to-eat-you fragrance and provides 100% of the moisture your skin needs with no greasy after feel. Natural skin softeners - jojoba oil, avocado oil and cocoa butter give you better-than-baby-soft skin.

No matter where you use it, it goes on easily, absorbs fast and leaves skin caressably soft. Indulge your skin's craving with Body Butter. After all, this is the one time you don't have to worry about the calories when it comes to butter and you can enjoy it with reckless abandonment.

## FEATURES & BENEFITS

- Deeply moisturises and hydrates the skin.
- Combines natural skin softeners jojoba oil, avocado oil and cocoa butter to give you soft, supple skin.
- Excellent glide, easy to apply. No need to feel like you had an arm workout after rubbing it in.
- Non-greasy - does not inhibit the natural function of the skin
- A sweet fragrance with notes of caramel, cotton candy and sugary fig.
