

BODY LOTION

DESCRIPTION

If your hands look more like talons, swoop down and snatch a bottle of Modere's Body Lotion. This intensive body moisturizer softens your skin, leaving it smooth and tender to the touch. The creamy formula features a natural blend of sweet almond oil, rose hip oil, vitamin A and vitamin E to transform the skin.

This lotion supports youthful, healthy and well-hydrated skin. Modere Body Lotion makes your skin feel velvety soft with no greasy after feel. It is light enough so your skin can breathe naturally. It is appropriate for most skin types and all ages and is gently enough for daily, all-over use.

BENEFITS OF HAND AND BODY LOTION

- Sweet almond oil naturally soothes skin.
- Calms dry areas — like a lullaby for your skin.
- Conditions the skin leaving it feeling smooth and soft.
- Allows the skin to breathe.
- Gentle enough for all ages and everyday use.
- Great for overall, head-to-toe use — no need for multiple products! Simplicity at its finest.

BODY LOTION

KEY INGREDIENTS

- **Prunus amygdalus dulcis (sweet almond) oil**
– High levels of fatty acids serve as a natural skin emollient and can form a protective barrier helping skin to hold in moisture.
- **Rosa canina fruit extract (rosehip oil)** – A rich source of linoleic acid, rosehip oil is an excellent moisturizer that softens the skin.
- **Vitamin A** – Retinoic acid, the active form of vitamin A, visibly increases skin's firmness and smooths rough skin.
- **Tocopheryl Acetate** – A form of Vitamin E that provides antioxidant benefits to the product and helps to reduce the appearance of fine lines and wrinkles.

INGREDIENTS

Water (aqua), prunus amygdalus dulcis (sweet almond) oil, dimethyl sulfone, ethylhexyl palmitate, sorbitol, sodium behenoyl lactylate, cetyl alcohol, stearic acid, dimethicone, sodium PCA, xanthan gum, cetyl hydroxyethylcellulose, hydrogenated lecithin, rosa canina fruit extract, tocopheryl acetate, disodium EDTA, retinyl palmitate, chlorphenesin, phenoxyethanol, caprylyl glycol, fragrance (parfum).
