

DAY LOTION COMBO SKIN

DESCRIPTION

It's more than a moisturizer - it's a daily sun protector, an anti-ageing skin conditioner, and a hydrating treatment all in one. You can thank the wheat proteins, amino acids, non-nanoparticle zinc oxide, and vitamins C, E, B5 and B6 in our dermatologist-tested proprietary formula.

Featuring zinc oxide sunscreen, that assist with hydro protection, vitamins, and antioxidants, this finely crafted formula defends skin against environmental factors, leaving skin feeling smooth and touchable, as it repels daily environmental assaults while delivering protective compounds to the skin's surface.

FEATURES & BENEFITS

- Brightens the complexion as it conditions and hydrates while controlling oil and shine through the day.
- Conditioning Complex that won't clog pores, for daytime nourishment and a touchable feel.
- Provides broad spectrum SPF 15 sunscreen coverage with zinc oxide, offering UVA and UVB protection.
- Safeguards skin against other environmental factors with liposomes that assist with hydro protection as well as strategic mix of vitamins, antioxidants, and other valuable botanicals.
- Teaches you good habits for managing oily skin's texture while shielding it from further environmental exposure, and delivering protective compounds to the skin's surface.
- Features an EU-allergen friendly fragrance blend.
- Dermatologist tested.

DAY LOTION COMBO SKIN

KEY INGREDIENTS

- **Zinc Oxide** — This natural, safety-conscious sunscreen is a mineral that acts as a barrier, providing SPF 15 with UVA and UVB protection, and is an ideal sunscreen for sensitive skin.
- **Photosomes** — These enzymes from liposomal plankton hydrate and minimise the appearance of past environmental assaults.
- **Vitamins C and E** — Both of these vitamins are powerful antioxidants that defend and protect the skin against the environment, and vitamin E also helps moisturise the skin.
- **Ethylhexyl Palmitate** — An emollient derived from the palm tree leaves skin feeling smooth.
- **Aloe Vera** — This naturally soothing plant adds suppleness, conditions skin, and supports skin surfaces.
- **Shea Butter** — This non-greasy, conditioning butter is optimal for lightly moisturising oily skin.
- **Amino Acid Support** — Each daytime formula provides six amino acids to condition and enrich skin.
