

LIP BALM

DESCRIPTION

The lips are often an overlooked and neglected area of the skin – yet they are very fragile and delicate since they are made of the thinnest skin on your body. Unless lip scarves become a thing, they are exposed and left vulnerable. Lip Balm with SPF 15 protects your kisser by using restorative and natural ingredients. The potent blend of avocado oil, beeswax and shea butter bestow moisture leaving your lips smoochable.

Modere's Lip Balm takes good, loving care of lips. Environmental effects can dry and damage this sensitive area, so Modere Lip Balm with SPF15 has a nourishing blend of macadamia seed and coconut oils, along with aloe vera juice extract. This supports moisture replenishment and regeneration, leaving your sweet lips protected and kissably soft. Mwah!

FEATURES & BENEFITS

- Protects weather-worn lips from environmental extremes.
- Replenishes lips with intense moisturisers.
- Provides the lips with a soft and smooth appearance.
- Provides UV protection with SPF 15.

LIP BALM

KEY INGREDIENTS

- **Jojoba esters** - Provide moisture to chapped lips.
- **Macadamia ternifolia seed oil** - Given its high content in essential fatty acids, macadamia nut oil has been shown to support supple, moisturised lips.
- **Aloe vera** - Moisturises and supports sensitive lips.
- **Beeswax** - Provides an organic shield that coats the lips, protecting them from wind and weather.
- **Butyrospermum parkii (shea butter)** - Moisturises dry lips and keeps them looking healthy in all weather conditions.

INGREDIENTS

Macadamia ternifolia seed oil, caprylic/capric triglyceride, VP/hexadecene copolymer, ethylhexyl methoxycinnamate, cocos nucifera (coconut) oil, jojoba esters, butyrospermum parkii (shea) butter, euphorbia cerifera (candelilla) wax, beeswax, ethylhexyl palmitate, ethylhexyl salicylate, copernicia cerifera (carnauba) wax, persea gratissima (avocado) oil, hordeum distichon (barley) extract, cetyl alcohol, hydrogenated vegetable oil, trihydroxystearin, flavor, cetearyl methicone, olea europaea (olive) fruit oil, prunus armeniaca (apricot) kernel oil, canola oil, phellodendron amurense bark extract, santalum album (sandalwood) extract, dimethicone, 1,2-hexanediol, caprylyl glycol, glycine soja (soybean) sterols, linoleic acid, phospholipids, tetrahexyldecyl ascorbate, tocopheryl acetate, tocopherol, stearyl glycyrrhetinate, aloe barbadensis leaf juice.

FACTS

Directions

Apply Lip Balm to lips as needed to provide them with daily pampering and protection – especially if you will be in extreme weather conditions. Be sure to also apply before going on a date – your significant other will thank you.
