MODERE MUSCLE RUB

Personal Care | Body

PRODUCT DESCRIPTION:

Muscle Rub is designed to be used during massage after activity to help ease tension and to refresh tired muscles. Perfect for those seeking relief from the strains of an active lifestyle.

Massaging with Modere Muscle Rub is the perfect treat your body deserves at the end of a long day. A massage with this blend of natural extracts and oils provides the skin with soothing relief after anything from casual activity to intense exertion.

Peppermint and menthol oils provide a cooling sensation and release a comforting aroma that calms the senses, while capsicum and ginseng promote feelings of warmth and resilience. Arnica extract is used traditionally to soothe skin after strenuous activity, and the scent of white willow bark extract is known for its relaxing properties.

Whether your active life consists of walking tours in the hills, or body breaking interval training at your local gym, a massage with Muscle Rub is what you need to help relax and recharge for tomorrow.

PRODUCT BENEFITS:

- Massage to ease muscle tension
- Renews tired-out, overstimulated skin
- Soothing botanicals evoke refreshing feeling during massage
- No greasy after-feel.

DIRECTIONS:

Apply generously to the skin and massage so that the cream is absorbed into the skin for ultimate impact. Repeat three or four times daily or as needed.

CAUTION: Do not apply to irritated skin or if excessive irritation develops. Avoid getting into the eyes or on mucous membranes. Do not take by mouth. Not for internal use. Do not use on infants and young children under three years of age. Do not use in case of allergy to Arnica.

INGREDIENTS:

Aqua, butylene glycol, isopentyl diol, menthol, cetyl alcohol, stearic acid, sodium behenoyl lactylate, dimethyl sulfone, salix alba (willow) bark extract, zeamays (corn) oil, olivoyl hydrolyzed wheat protein, lysine aspartate, mentha piperita (peppermint) oil, cetearyl alcohol, glyceryl oleate, caprylyl glycol, cetyl hydroxyethylcellulose, glyceryl stearate, stearyl glycyrrhetinate, arnica montana flower extract, yeast polysaccharides, potassium hydroxide, disodium EDTA, panax ginseng root extract, ergothioneine, capsicum frutescens fruit extract, phenoxyethanol, chlorphenesin, ethanol, potassium sorbate, sodium benzoate, sodium hydroxide.
