

# MÖDERE<sup>®</sup> FACT SHEET

## PROTOZYMES

---

### PRODUCT DESCRIPTION:

Protozymes contains much more than the Acidophilus-based product you are used to. Good bacteria in the gut can be killed off by poor diet and antibiotics. Protozymes supports the growth of friendly bacteria by crowding out harmful bacteria and restoring balance in the gut.

Each capsule contains around 2.88 billion live cells making it a powerful friendly bacteria supplement.

### PRODUCT BENEFITS & FEATURES:

- Contains a powerful combination of five strains of friendly bacteria to help promote a healthy gut and increase resistance to infection.
- Protozymes comes in a convenient capsule form and does not require refrigeration.
- Easy to swallow capsule, or it can be split over food or drinks.
- Contains saccharomyces boulardii, a friendly yeast organism to support the performance of the product.

### DIRECTIONS:

Take one capsule twice daily with food.

**CAUTION:** Consult your health care provider prior to use if you are pregnant or nursing, have a medical condition, or when taking any medication. Food supplements should not be used as a substitute for a balanced, varied diet and a healthy lifestyle. Do not exceed recommended daily dose. Suitable for gluten free, and salt free diets. Suitable for vegetarians.

### Companion products

Adult Multivitamin, Mineral Solutions or Classic, Noni, Omega 3, Green Qi, Cell Protect.
