

# MÖDERE® FACT SHEET

## Rich Protein Shakes

---

### PRODUCT DESCRIPTION:

Life can be busy sometimes and you cannot always find time for a proper meal if you are on the move or simply running out of time. Sometimes you might also be feeling peckish and find yourself reaching for a snack which may not be as healthy as you would like.

A Modere protein shake offers a convenient option to supplement your daily diet.

Developed exclusively for Modere, these protein shakes are so delicious, you'll look forward to enjoying them at any time. You can be assured that you are getting essential nutrients to help you function at your best. The optimised combination of pea protein isolate together with carbohydrates, fat and fibres provides a balanced supplement for daily use.

Modere Rich Vanilla Protein isn't just a protein shake--it provides many nutrients your body needs to meet your goals while maintaining proper nutrition. Vegetarian, gluten-free, and rich in fiber, vitamins, and minerals, this great-tasting, nutritious shake helps you feel fuller throughout the day so you can keep your nutrition goals on track

Choose from chocolate or vanilla flavours.

### PRODUCT BENEFITS & FEATURES:

- Provides protein plus vitamins, minerals and other nutrients.
- Protein contributes to the maintenance of muscle mass.
- Vitamin B6 contributes to normal energy yielding metabolism.
- Vitamin D contributes to the maintenance of normal muscle function.
