

# SOOTHING LOTION

## DESCRIPTION

Soothing Lotion rescues your over-exposed skin. When your skin gets overheated, it can become damaged. Modere Soothing Lotion contains natural moisturizers and comforting botanicals to help soothe skin.

Modere Soothing lotion has a rich, creamy texture that absorbs quickly leaving the skin soft and smooth without a greasy finish. It naturally rehydrates, whilst Aloe vera, rose hip oil, and calming botanicals all help restore your skin's delicate moisture balance.

## FEATURES & BENEFITS

- Soothes skin with a temporary cooling effect.
- Replenishes moisture balance.
- Softens the skin.
- Visibly enhances the skin's resiliency by infusing it with botanical ingredients.
- Helps trap moisture in parched skin.

# SOOTHING LOTION

---

## KEY INGREDIENTS

- **Saccharide isomerate** - An effective water-binding agent and emollient for the skin.
- **Rosa Canina (Dog Rose) fruit extract** - A skin-conditioning agent that helps the skin hold moisture and reduce dryness.
- **Aloe vera** - A time tested favorite that supports and softens the skin and creates a cool, calming feel.
- **Lecithin** - A phospholipid that acts as an emollient and water-binding agent that helps keep moisture from escaping.
- **Rosehip oil** - Contains a high level of fatty acids to help hold moisture in and reduce the appearance of sun damaged skin, all with a silky, non-greasy finish.
- **Rosmarinus Officinalis (rosemary) leaf extract** - Visibly reduces redness and soothes dry damaged skin.

---
