

NIGHT CREAM FOR DRY SKIN

DESCRIPTION

Our ultra-hydrating Night Cream for Dry Skin turns the notion of beauty sleep into a reality using powerful ingredients such as cocoa and mango seed butters combined with pure almond and sesame oils.

If you're wondering how Sleeping Beauty woke up looking so flawless, it's not because she got so much sleep. It was because her night time skin regimen was on point! What you do before you hit the hay can make a big difference in how your skin feels in the morning. On top of being a luxurious cream that quenches dry skin's unique needs, it also looks out for your skin way past the morning — leaving the skin toned, supple and firm and maintaining the appearance of youth using scientifically advanced ingredients.

NIGHT CREAM FOR DRY SKIN

KEY INGREDIENTS

- **Acetyl Hexapeptide-8** - A peptide that works to reduce the depth of wrinkles.
- **Acetyl Octapeptide-3** - Reduces the appearance of wrinkles, especially around the eyes and forehead.
- **Hydroxyethyl Urea** - Excellent at locking in moisture; it absorbs 82% of its weight in water that would otherwise escape the skin.
- **Hexapeptide-11** - A peptide that has been shown to leave skin looking supple.
- **Sesamum (Sesame) Indicum Oil** - A rich oil that calms redness and soothes dryness.
- **Additional Natural Oils** - A proprietary blend of almond and aloe oils along with cocoa and mango-seed butters to effectively moisturize, soften, and protect the skin.
